Types of Membership

WREB offers potential member states two levels of membership, *active* or *affiliate* with different levels of commitment and responsibility. There is not a fee associated with either level of membership. Both levels of membership require that the potential member state accept WREB dental and dental hygiene exams as constructed and administered.

Roles and Responsibilities of Active Member States

Dental Representation

Each active member state must provide a minimum of two dental examiners who are willing to do a minimum of two dental exams each year. Participation in dental hygiene exams is also encouraged. At least one of the two must be a sitting dental State Dental Board member, the other one can be either current or past State Dental Board members or they may be designated representatives chosen by the State Board to represent them in the WREB examiner pool. They must all be currently licensed. WREB recognizes that it may take time to identify these individuals and get them onto the WREB schedule, therefore the expected time frame to get two examiners actively engaged is 12 months.

Each active member state will identify a current sitting board member that will act as their representative to the WREB Dental Exam Review Board (DERB). This person must make a commitment to attend one meeting each year of the Dental Examination Review Board.

Dental Hygiene Representation

In addition, each active member state is required to provide two dental hygiene examiners. One must be a sitting State Dental Board or hygiene committee member and one can be either a current or past State Dental Board representative designated by the State Board or hygiene committee or WREB committee member.

Each active member state will identify a current sitting dental hygiene board/hygiene committee member that will be an active examiner and act as their representative to the WREB Hygiene Exam Review Board.

For states with only one sitting dental hygiene representative, it is preferred that this person be the representative to the Hygiene Exam Review Board. If this is not possible, a state may designate a currently licensed hygienist to serve in this capacity. The second examiner could be either a past state board/hygiene committee member or an examiner designated by that state board or hygiene committee.

It is requested that all state representatives serving on the Dental and Dental Hygiene Exam Review Boards, be able to complete at least one consecutive 2-year term.

Each Examination Review Board meets once per year, usually in the summer months. Attendance at these meetings is funded by WREB. In addition, all examiners participation at WREB exams is funded by WREB.

All active membership applications must be approved by the WREB Board of Directors.

Roles and Responsibilities of Affiliate Member States

Affiliate membership also requires the acceptance of WREB examination results as constructed. By design this category has fewer responsibilities and also therefore, more limited opportunities for input. It is designed to accommodate those with interest but limited resources to dedicate to participation on WREB committees and in providing examiners to examine for dental and dental hygiene. Affiliates will receive updates and communication from WREB.

Affiliate memberships may be approved by the Officers of the Board of Directors.

RE: Mark D. D. Duncan, D.D.S.

Dear Ms. Shaffer:

Please be advised that I represent the interests of Dr. Mark Duncan with regard to his licensure application with the Nevada State Board of Dental Examiners.

On May 1, 2013, Dr. Duncan submitted a Re-Application for Nevada Dental Licensure. That application is not yet complete.

As you are aware, Dr. Duncan had applied for a Nevada license in July 2008, however, that application was denied. Pursuant to NAC 631.060, if an applicant is denied licensure for reasons other than his failure to pass an examination, he may not reapply without the permission of the Board to do so.

Accordingly, this letter will serve as Dr. Duncan's formal request to the Board to reapply for Nevada licensure. As noted above, Dr. Duncan is in the process of finalizing his application, and that application is not yet complete. Dr. Duncan is requesting this permission from the Board prior to completing his application process.

Program/Business Session

Program Highlights: The goal of the 130th AADB Annual Meeting is to provide information that is useful at the state level. The program has not been finalized at this time but the preliminary program can be found below and on our website (www.dentalboards.org.)

Business Sessions: These sessions involve state boards' as well as individual members' positions on national issues. The AADB can play a role in expressing its members' views at the national level. Therefore, the Executive Council encourages boards and individual members to present resolutions on appropriate topics. Any member may submit a resolution for consideration during the 130th Annual Meeting. A resolution either directs the Association to take a specific action or provides a statement of philosophy that can be used to represent a member's opinion at the national level. Resolutions should be submitted to the Central Office by **August 1, 2013**. Each resolution should be accompanied by a concise background statement. Rationale should appear only in the background statement; the resolution should be limited to the action or proposed statement.

Social Functions: Two social functions are planned for the 130th Annual Meeting:

* Banquet Luncheon, 12:00 noon – 1:30 p.m., Wednesday, October 30, 2013.

The "Citizen of the Year" will be recognized at this time.

* President's Reception, 6:00 p.m. - 7:30 p.m., Wednesday, October 30, 2013

Nominations for "Citizen of the Year": At each Annual Meeting, an AADB member is honored as "Citizen of the Year". This award is intended to honor a member who has made exceptional contributions to the public through dentistry and other types of public service. Nominations for "Citizen of the Year" will be accepted until **August 1, 2013**. Each nomination should include the name, address, email address and telephone number of the nominee and a description of his or her contribution.

The Hotel Deadline has been extended to July 26, 2013!

Please Note: If you are registering using a Visa or MasterCard, please visit the 'Online Store' on our website: www.dentalboards.org.

Program/Business Session

Program Highlights: The goal of the 130th AADB Annual Meeting is to provide information that is useful at the state level. The program has not been finalized at this time but the preliminary program can be found below and on our website (www.dentalboards.org.)

Business Sessions: These sessions involve state boards' as well as individual members' positions on national issues. The AADB can play a role in expressing its members' views at the national level. Therefore, the Executive Council encourages boards and individual members to present resolutions on appropriate topics. Any member may submit a resolution for consideration during the 130th Annual Meeting. A resolution either directs the Association to take a specific action or provides a statement of philosophy that can be used to represent a member's opinion at the national level. Resolutions should be submitted to the Central Office by **August 1, 2013**. Each resolution should be accompanied by a concise background statement. Rationale should appear only in the background statement; the resolution should be limited to the action or proposed statement.

Social Functions: Two social functions are planned for the 130th Annual Meeting.

*Banquet Luncheon, 12:00 noon – 1:30 p.m., Wednesday, October 30, 2013.

The "Citizen of the Year" will be recognized at this time.

*President's Reception, 6:00 p.m. - 7:30 p.m., Wednesday, October 30, 2013

Nominations for "Citizen of the Year": At each Annual Meeting, an AADB member is honored as "Citizen of the Year". This award is intended to honor a member who has made exceptional contributions to the public through dentistry and other types of public service. Nominations for "Citizen of the Year" will be accepted until **August 1, 2013**. Each nomination should include the name, address, email address and telephone number of the nominee and a description of his or her contribution.
