PRESENTERS

Joseph Hardy, MD

Associate Professor of Primary Care
Touro University Nevada
College of Osteopathic Medicine

Weldon (Don) Havins, MD, JD

Director and Professor of Medical Jurisprudence
Touro University Nevada
College of Osteopathic Medicine

This live educational course is designed for physicians and healthcare practitioners to understand and comply with the new Nevada mandates for misuse and abuse of controlled substances, the prescribing of opioids and addiction. Following this activity, participants should be able to:

- Enumerate the requirements to be completed before prescribing any controlled substance, any controlled substance for treatment of pain, and the use of opioids for the treatment of pain.
- List the new required elements of an informed consent for controlled substances prescribed for the treatment of pain.
- Discuss the elements mandated in a prescription medication agreement.
- Distinguish between acute and chronic pain treatment.
- Options for treating substance abuse disorders.

CME Accreditation and Designation

Touro University Nevada is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Touro University Nevada College of Osteopathic Medicine designates this live educational activity for a maximum of 2 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.
