I hereby make application for a Moderate Sedation Permit to administer moderate sedation to patients 13 years of age or older from the Nevada State Board of Dental Examiners. I understand that if this permit is issued, I am authorized to administer moderate sedation **ONLY** to patients 13 years of age or older at the address listed above. If I wish to administer moderate sedation to patients 13 years of age or older at another location, I understand that each site must be inspected and a "Moderate Sedation Site Permit" must be issued by the Board prior to administration of moderate sedation to patients 13 years of age or older. I understand that this permit, if issued, allows only me to administer moderate sedation to patients 13 years of age or older.

I also understand that this permit does **NOT** allow for the administration of moderate sedation to patients 12 years of age or younger or the administration of deep sedation or general anesthesia by me, a physician, nurse anesthetist, or any other person. I have read and am familiar with the provisions and requirements of NRS 631 and NAC 631 regarding the administration of moderate sedation.

I further acknowledge any omissions, inaccuracies, or misrepresentations of information on this application are grounds for the revocation of a permit which may have been obtained through this application. It is understood and agreed that the title of all certificates shall remain in the Nevada State Board of Dental Examiners and shall be surrendered by order of said Board.
