66 ***3. Board Counsel's Report (For Possible Action)**

67
68 ***a. Legal Actions/Lawsuit(s) Update (For Possible Action)**

69
70 Mr. Hunt indicated that the pending action with LVI and indicated that the case was before the
71 Nevada Supreme Court and that all the briefing was completed. He indicated that there have been discussions with
72 LVI regarding the possibility of dismissing this lawsuit. Additionally, the general terms were that all provisions of
73 the regulation would remain in full force and affect, with the exception of those regarding the limited licenses for
74 instructors, where the Board would strictly comply with the statute; meaning the applicants would pay one hundred
75 dollars (\$100) and submit certified copies of transcripts with graduation date.

76 Mr. Hunt indicated that the second matter was that there was a case seeking injunction against the
77 Board complaint process, regarding all documents submitted by the complainant and the licensee being provided to
78 both parties, and the Board DSO. The licensee's argument was that the dissemination of any documents was
79 prohibited by NRS 631.368. The judge found in favor of the Board and denied the injunction.

80 Mr. Hunt indicated that the lawsuit seeking a Writ of Mandamus, as a result of a licensee indicating
81 that a Disciplinary Screening Officer had such an inherent bias in a case because the DSO has previously testified
82 against the licensee in a separate matter, and therefore sought a Writ of Mandamus requesting that the DSO be
83 removed from the case. The legal position of the Board was that because the DSO is not arbitral, therefore, the
84 Board would replace the DSO officer.

85 Mr. Hunt reminded the Board to not discuss any cases among themselves and that any questions
86 should be directed to Board legal counsel or Ms. Shaffer.

107 Gronauer, and Fiorentino, represent the Las Vegas Institute (LVI) and, therefore, there would be a conflict with
108 them lobbying for the Board. He indicated that the Board could approve the contract contingent upon any
