124

125 The Board was provided a copy of the balance sheet compiled by Stacie Hummel,
126 Accountant for the Board. Ms. Hummel was present to answer any questions.
127 Discussion was held pertaining to multiple accounts including fees for licensees,
128 furniture and equipment, office space including the amount of monies paid out for
129 the Reno office space. Further, IC Inspection were discussed along with Information
130 Technology's. Ms. Wark had questions regarding the accounts referenced with
131 regards to refreshments. The budget reflected in the category for toilet paper
132 delivery, water, etc. the Board was not close to the budgeted amounts as approved.
133 Ms. Hummel reminded the Board this was the budget approved by the Board in July
134 2012. Ms. Solie asked about income for license fees for both dental and dental
135 hygiene asked about the Board's budget seems off. Ms. Shaffer explained the
136 license fees are for the biennial period but the fees collected as revenue are divided
137 up through two fiscal periods. Ms. Wark questioned the Verification Services category
138 and Ms. Hummel stated this was the cost associated with the State Department of

141

Public Safety (fingerprinting). Ms Hummel stated she is available should the Board Members have additional questions or anything comes up. Dr Kinard thanked Ms. Hummel and moved to Item 4.

***4. Board Counsel's Report (For Possible Action)**

***a. Legal Actions/Lawsuit(s) Update (For Possible Action)**

Mr. Hunt updated the Board he stated the Board has two permanent injunctions have been entered regarding teeth whitening facilities, resulting in the closure of these two entities. There were two preliminary injunctions issued last week regarding unlicensed practice of dentistry and dental hygiene. There was a claim filed for unemployment. The claim was denied by unemployment an appeal has been filed and scheduled for hearing. Upon resolution, Mr. Hunt will update the Board. Mr. Hunt advised the Board Members not to discuss this matter with anyone should they receive inquiries those need to be directed to Mr. Hunt or Ann McDermott with the Attorney General's office. Ms. Villigan asked the location with regards to the teeth whitening and illegal practice. Mr. Hunt indicated the teeth whitening was in Las Vegas and the illegal practice one was in Reno, Nevada and the other was in Clark County.

***b. Consideration of Stipulation Agreements (For Possible Action)**

(1) Chi-Fong Chiu, DDS

Counsel for Dr. Chiu was present. Mr. Hunt indicated that the proposed stipulation agreement is a corrective action stipulation agreement regarding root canals. Mr. Hunt indicated further, that Dr. Chiu has had no previous actions by the Board. The Board asked Mr. Rath, Counsel for Dr. Chiu, to step forward. Mr. Hunt went over the provisions of the proposed corrective action stipulation agreement. The DSO on this matter was Dr Strong. Mr. Hunt recommended that the Board adopt this non-disciplinary corrective stipulation agreement.

MOTION: Dr. Blasco made the motion to adopt the non-disciplinary corrective action stipulation agreement. Second by Mrs. Wark. No public comment. All in favor.

(2) Mike M Golpa, DDS

Mr. Hunt went over the provisions of the proposed stipulation agreement. This licensee has no other actions taken against him. Dr Blasco was the Disciplinary Screening Officer assigned to this case. Mr. Hunt stated Dr Golpa was represented by Counsel. Mr. Hunt asked on behalf of Dr Blasco to accept this corrected action stipulation agreement.

MOTION: Ms. Wark made the motion to adopt the corrective action stipulation agreement. Second by Dr. Sill. Dr. Blasco Abstained No public comment. All in favor.

(3) Erika Murrieta, RDH

Mr. Hunt stated this is a corrective action stipulation agreement, Mr. James McKernan was the Disciplinary Screening Officer assigned. This corrective action stipulation agreement is with

regards to root planning. Mr. Hunt went over the provisions of the agreement. Mr. Hunt asks on behalf of DSO McKernan to accept this corrective action stipulation agreement for adoption.

MOTION: Mrs. Wark made the motion to adopt the corrective action stipulation agreement. Second by Dr. Sill. No public comment. All in favor.

(1) Lacey D Rahmig, RDH -----TABLE

Dr. Sill indicated that he reviewed all applications, all met criteria, and he recommended approval.

MOTION: Dr. Pinther made the motion to approve. Second by Mrs. Solie. Dr. Sill abstained, all in favor.

***6. New Business (For Possible Action)**

***a. Discussion and Consideration of the Report from the Budget and Finance Committee with Regards to the Nevada State Board of Dental Examiners Administration of the ADEX Clinical Examinations in Dentistry and Dental Hygiene and the Costs Associated with the Administration Pursuant to NRS 631.170; NRS 631.190; NRS 631.240; NAC 631.090; NAC 631.100; NAC 631.120; NAC 631.130 (For Possible Action)**

Dr Kinard referenced the Items listed below under Section 6 and request they be addressed individually. Ms. Shaffer gave background regarding the administration of the ADEX examination to include, the request made by Dr Sill on the September 20, 2012 with regards to continue the administration by Nevada and the costs associated with the administration of such examination. The question regarding the cost of the administration was further addressed at the Budget & Finance Committee Meeting held on January 25, 2013. Ms. Shaffer along with the Board's Accountant Stacie Hummel went through the cost of administering the CIF Format of the ADEX Examination and Traditional Dental Examination these cost included the honoraria, travel

expenses, fees to UNLV and Ms. Hummel; did a cost comparison between the administration of the ADEX Examination by Nevada and the acceptance of the ADEX Examination administered by NERB. Dr Sill states the Board is losing out on the cost of the licensure fees and with regards to the dental hygiene the Board is losing money. Dr Blasco asked if the cost has been calculated in for the new typodonts, that the cost has not been calculated into the figures discussed. Mr. Hunt wanted point of clarification as to the figure if the Board had accepted the results of the ADEX Examination and not administered the ADEX Examination. The figure is approximately \$37,500.00 for year 2012. Mr. Hunt stated there is no Nevada Exam. The Board along with ADEX approves the Examination pursuant to NRS 631.240, it is his legal opinion that in order to be a Nevada Examination the statute required a quorum. Ms. Wark had questions of a contract with ADEX. Ms. Shaffer believes there may be a contract executed back in 2007. Ms. Shaffer gave history on the administration on the ADEX Examination. Mr. Hunt went over the legal matter with regards to the ADEX Examination. Ms. Wark requested assistance from the Board's Accountant. Ms. Hummel stated her concentration is to bring in the most revenue to the Board. Ms. Hummel discussed the burden on staff to administer this examination and how this takes away from our other pressing duties and has resulted in overtime. Ms. Hummel addressed the Board's over budget. Ms. Hummel addressed the Board as to the acceptance versus the administration of the ADEX Examination. Dr Kinard discussed the purchase theof the typodonts if the Board elects to continue the administration and this was not previously budgeted. Ms. Wark asked is the Board responsible for the purchase of the typodonts. Ms. Shaffer explained she contacted NERB to verify if the Board was responsible for the purchase. NERB confirmed Nevada is responsible for all costs associated with the administration of the examination in Nevada to include the typodonts. Dr Pinther asked if the cost of the ADEX examination was going up. Ms. Shaffer was unaware of the cost of the examination. However, in statute the Board cannot charge more than \$1500.00 as defined in NRS 631.345. Mr. Hunt addressed in statute the Board is not required to administer the examination. The Board pursuant to NRS 631.240 accepts the passing of the ADEX examination or WREB. Dr Sill explained it is a dying breed for states to still administer their own examinations. The trend is regional examinations. Ms. Solie addressed Mr Hunt with regards to legal issues related to any contracts that may exist and the liability to the Board. Mr. Hunt stated the Board could contingent upon a review of any contracts that may exist approve a motion. Dr Kinard stated the Board has time limits due to the purchase of typodonts how long would it take for Mr. Hunt to look into any contracts. Mr. Hunt stated a few days. Dr Sill stated the Board is not in the examination business. Ms. Wark stated she did not want to burn any bridges for the Board to possibly exam in the future. Ms. Shaffer stated Board Members as NERB examiners are put in a pool to examine and due to financial benefit the Board members may be chosen to exam in Nevada. Dr Kinard entertained a Motion:

MOTION: Dr Sill made a Motion that Nevada discontinue the administration of the ADEX Examination for Dental and Dental Hygiene contingent upon review by Board Counsel and whether there is a liability this matter will be brought back to the board. Seconded by Ms. Wark.

Roll call vote:

Motion is agreed to by majority vote.

* (1) Approval to Purchase New Typodonts (Fall 2013 Exam Cycle) (For Possible Action)

MOTION: Dr. Sill made the motion to Table the purchase of new typodonts. Second by Dr. Blasco. No public comment. All in favor.

* (2) Consideration of Licensure Applications for ADEX and WREB by the Board Pursuant to NRS 631.240 and NAC 631.050 (For Possible Action)

Dr Kinard turned this matter to Ms. Shaffer. Ms. Shaffer explained the Board the office had received an inquiry from a dental student out at UNLV School of Dental Medicine that is a candidate to take the WREB examination in March/April 2013. The student had questions about the application process. Ms. Shaffer explained the application process handles by Board staff. Through discussions with other students who have taken the ADEX examination it was brought to the student's attention that students at UNLV who take the ADEX examination upon successful passing are not placed before the Board for approval as the Board does for all other applicants for licensure. Ms. Shaffer confirmed, the Board approves applicants for licensure whether it is an applicant for general, specialty, restricted or geographical licenses, the process is the same. This student felt that maybe particular students who participate in the ADEX CIF Format maybe receiving a benefit other applicants who take other regional examinations are not receiving. Mr. Hunt went through the protocols and explained how the ADEX CIF Format applicants in the pass were reviewed by the past Executive Director and granted approval of licenses. Mr. Hunt explained this is not the same procedure for all. Mr. Hunt stated for consistency the Board may change the policy or continue with the way the Board has been reviewing and approving applicant for licensure. Dr Sill explained to Ms. Wark it is not UNLV it is the Examination administered by the Board. Mr. Hunt stated fairness and applicants are treated the same. Mr. Hunt stated if students taking the ADEX examination at UNLV should be follow the same processes. Ms. Shaffer explained ADEX, WREB applicants other than UNLV students are required to be placed before the Board for approval. Dr Sill stated if Item 6(a) this would be a mute point. However, Mr. Hunt stated the applicants have to follow

the same train and the process needs to be the same.

MOTION: Mrs. Wark made the motion to approve that applicants who apply for licensure in the State of Nevada are required to follow the same processes as set forth in NRS 631.240 and NAC 631.050. Second by Dr. Blasco. No public comment. All in favor.

***b. Discussion and Consideration of Changing Financial Institutions to Wells Fargo (For Possible Action)**

Dr. Kinard indicated that the Board was looking to change the financial institution from Bank of Nevada to Wells Fargo to simplify multiple banking accounts and have a more simplified accounting process. Dr. Kinard explained that currently the Board has multiple accounts in different financial institutions and that some of the money is not insured. Some of the money is in treasury bills and money market accounts. Dr. Kinard indicated that currently the Board does not have a credit card that can be used for office travel and everyday office purchases. Wells Fargo will issue credits cards that will be guaranteed by the Board, with a specific limit set by the Board. Each Board member will receive a credit card so they can use to book their travel expenses when needed and it will be all on one master account. Mrs. Hummel stated that it will simplify the accounting process and that the Board will be saving money yearly with low cost merchant account fees and payroll fees for doing payroll through Wells Fargo.

MOTION: Dr. Pinther made the motion to approve the appointment. Second by Dr. Sill. No public comment. All in favor.

MOTION: Mrs. Wark made the motion to approve the attached Calendar of Events 2013. Second by Mrs. Guillen. No public comment. All in favor.

***h. Request for an Advisory Opinion Pursuant to NAC 631.270 (For Possible Action)**

(1) Sharon G Peterson, RDH - Regarding NRS 631.3452(1)(e) and NAC 631.210(5) and Whether a Dental Hygienist Who Holds a Special Health Endorsement is Exempted from Subsection 1(e) of NRS 631.3542

Ms. Peterson explained the history and legislative intent of the special health endorsement statute for dental hygienists. Ms. Peterson stated since the adoption of NRS 631.3452 she was advised by the former Executive Director that dental hygienists who hold special health endorsements are required to be under the supervision of a dental director pursuant to NRS 631.3452. Ms. Peterson stated it is her belief this was not the intent of the statute and was requesting an advisory opinion as to whether dental hygienists are exempted from subsection 1(e) of NRS 631.3452. by and through subsection 5 of NAC 631.210. Mr. Hunt explained to the Board Members NAC 631.279 with regards to an advisory opinion, the process to proceed, and how to bring the motion forward. Further, Mr. Hunt stated Ms. Peterson's request was specific. Mr. Hunt read NRS 631.3452 into the record to include, subsection 1(e) of NRS 631.3452. Mr. Hunt addressed the specific verbiage "*with the standards of supervision established by law or regulation.*" Mr. Hunt then read regulation NAC 631.210 subsection 5 into the record. Mr. Hunt states dental hygienists who have received special health endorsements from the Board are not required to be supervised by a licensed dentist when performing services set forth in paragraphs (a) to (n) inclusive of subsection 1. Therefore, it is Mr. Hunt's legal opinion dental hygienists who have received special health endorsements from the Board are exempted from being supervised by a dental

director pursuant to NRS 631.3452(1)(e). However, Mr. Hunt did state if there are dental hygienists in an office or clinic pursuant to NRS 631.3452 who do not hold special health endorsements those dental hygienists are required to be supervised by a dental director.

MOTION: Ms. Solie made the motion to approve the request for opinion that those dental hygienist who hold special health endorsements are exempted from subsection 1(e) of NRS 631.3452 by and through subsection 5 of NAC 631.210 and for those dental hygienist who do not hold special health endorsements, those dental hygienist are required to be supervised by a dental director pursuant to NRS 631.3452. Second by Ms. Wark. No public comment. All in favor.

(2) Steven E DeLisle, DDS – Regarding NAC 631.178 and clarification on the use of a Portable Sink in a Dental Practice and Compliance with Infection Control Standards in a Dental Office.

Dr. DeLisle requested this advisory opinion after he received an infection control inspection and the inspectors were unsure whether the portable sink met the infection control standards pursuant to NAC 631.178. Dr. DeLisle explained the type of portable sinks (he has two portable sinks in the operatory) that include a built in eye wash station. He explained the portable sink next to the two dental chairs is for hand washing purposes only. The sink holds a five gallon container. Ms. Villigan stated she reviewed the CDC guidelines in a Dental Care Setting 2003 and could not find any references to a portable sink in a dental practice. Ms. Villigan did have concerns regarding whether the five gallon water container would be enough to last the day. Dr. Sill stated from his experience it was sufficient. Ms. Villigan expressed concern with regards to someone getting something in their eye towards the end of the day and the water was low what would the options be for that patient or employee. Dr. DeLisle stated he had a sink around the corner on city water that could be utilized for an eye washing station if need be. Mr. Hunt explained to the Board Members NAC 631.279 with regards to an advisory opinion, the process to proceed, and how to bring the motion forward. Further, Mr. Hunt stated unless the regulation and/or the CDC guidelines specifically address the use of a portable sink in a dental setting then Dr. DeLisle should be able to use the portable sinks for hand washing purposes.

MOTION: Dr. Blasco made the motion to approve the request for the advisory opinion that the use of these portable sinks may be used for hand washing purposes only in compliance with NAC 631.178. Second by Mrs. Wark.

Discussion: Ms. Solie expressed her concerns the Board should not be addressing approval for all products offered to dentist or dental hygienist and that licensees not be

requesting advisory opinions for approval of such products.

No public comment. All in favor.

(Chair: Dr Sill, Mrs. Wark, Mrs. Guillen)

Dr. Sill indicated that the board should look into amending the statutes and regulations with regards to Initial Infection Control Inspections to include a fee to cover costs of the inspections. Mr. Hunt indicated that it might be a little too late to address this in this year's legislation session. Dr. Sill commented that the Board needs to take a look into charging a fee for initial inspections or for all inspections. May it be through a fee at the time for inspections, raising licensee fee's look into other ways to fund the infection control. Mrs. Wark asked if the board can get an estimate at what it would cost to do the inspection whether they are initial, re-evaluation or random inspections. They decided to take it back to the committee and take another look, prepare more of detail on what the cost would be to the Board and be ready to present for the next legislation session in 2015.

8. Public Comment:

Shari Peterson, RDH - Commented since the Board voted to not administer the ADEX exam anymore and just accept the ADEX exam for licensure that the Board consider joining WREB as a member to have a voice in that exam. She stated that currently Western Regional Examination Board does not administer the hygiene exam in Nevada since the board is not a member of WREB

Teri Chandler, RDH - Commented that she would like to thank the board for the decision that public endorsed hygienist do not have to have a clinical director who is a dentist in order to operate.

Note: No vote may be taken upon a matter raised under this item of the agenda until the matter itself has been specifically included on an agenda as an item upon which action may be taken. (NRS 241.020)
