*** 3. Consideration of Recommendations of Report from Board Appointed Anesthesia Evaluators Pursuant To NAC 631.2233(2) to determine Pass or Fail of Anesthesia Site Inspection. (For Possible Action)**

***a. General Anesthesia (For Possible Action)
(1) Dr. X**

Ms. Shaffer indicated that Dr. X submitted an application on August 21st; however, the inspectors failed the site. Ms. Shaffer went on to read the evaluation forms and the areas that were marked as critically deficient. Dr. Miller shared with the Board some of the guidelines from the ADA (available for review on Board website). Ms. Solie inquired if Dr. X was currently administering. Ms. Shaffer indicated that the dentist cannot administer until the site has passed, in this case they did not pass and, therefore, cannot administer.

MOTION: Dr. Miller made the motion to deny the site permit to Dr. X. The motion was seconded by Dr. Pinther. Discussion: Dr. Pinther commented that anesthesia has a very high risk and an applicant must follow the guidelines strictly. Dr. Miller added that there are high stakes when it comes to administering deep sedation; therefore, the Board is not asking for much when they require that the guidelines be abided by. Dr. Kinard indicated that he accidentally became informed of who Dr. X is, and therefore, is abstaining from the vote. Roll call vote:

Dr. Jade Miller----- yes
Dr. Jason Champagne-----yes
Dr. Byron Blasco-----yes
Dr. J Gordon Kinard-----abstain

Motion passes; Dr. X's site inspection failure affirmed.

***b. Based on Board Consideration and Action From Item 3(a)(1), Further Consideration of NAC 631.2235 and Granting Executive Director Authority to Respond Accordingly to any Request Made Pursuant to NAC 631.2235(2)(3). (For Possible Action)**

Ms. Shaffer read NAC 631.2235(2)(3). She indicated upon a dentist receiving a notice of failure of the site inspection, they then have fifteen (15) days to request a re-evaluation; however, because the Board does not meet regularly, in the event that the Board were to receive a notice to re-inspect, she recommended perhaps, granting her authorization to follow thru with the re-inspection on behalf the Board. Therefore, the Board would be pre-authorizing the re-inspection in the event that the Dentist would submit a request for a re-inspection, which with pre-authorization, the Board will authorize Ms. Shaffer to follow through with the re-inspection. Further, should the site pass the re-inspection, grant the Executive Director the authority to issue the notice of the site passing inspection.

MOTION: Mrs. Solie made the motion that if a re-inspection is requested within 15 days that the Executive Director be able to proceed with the re-inspection process. The motion was seconded by Dr. Blasco. Discussion: Dr. Blasco inquired why the Board did not provide the Dentist with a copy of the inspection. Ms. Shaffer indicated that the Board would have to accept the investigators recommendation prior to the dentist being noticed of inspection failure. Roll call vote:

Dr. Jade Miller----- yes
Dr. Jason Champagne-----yes
Dr. Byron Blasco-----yes
Dr. J Gordon Kinard-----abstain
Dr. Timothy Pinther-----yes
Dr. M Masih Soltani-----excused
Dr. J. Stephen Sill-----yes
Ms. Theresa Guillen-----yes
Mrs. Leslea Villigan-----yes
Mrs. Caryn L Solie-----yes
Mrs. Lisa Wark-----excused

Motion passes; should Board receive a request for re-inspection from Dr. X, authorize Executive Director to proceed with re-inspection process on behalf of the Board.
