FACT SHEET

APPLICANTS FOR TEMPORARY UNRESTRICTED GENERAL DENTAL LICENSE

Thank you for your interest in applying for a temporary unrestricted general dental license in the State of Nevada. On September 18, 2020, the Board approved the following memorandum allowing for the issuance of temporary unrestricted dental licenses during the COVID-19 pandemic:

At its September 15, 2020 Board Meeting, the Nevada State Board of Dental Examiners (NSBDE) considered recommendations from its Continuing Education Committee to temporarily approve and accept use of:

- 1) manikins for the Dental Periodontal Scaling Exercise portion of the American Board of Dental Examiners (“ADEX”) dental exam and for the ADEX dental hygiene clinical examination (NRS 631.240 & NRS 631.300); and
- 2) the CompeDont tooth for restorative procedures tested by the ADEX for dental licensure (NRS 631.240).

The NSBDE voted to accept the recommendations and approve use of those clinical alternatives by awarding temporary unrestricted dentist licenses and temporary unrestricted dental hygienist licenses (collectively, “temporary unrestricted licenses”) to applicants who submit passing ADEX manikin/CompeDont clinical exam results, if the examinations are completed during the period from May 1, 2020 through June 30, 2021.

Therefore, pursuant to powers set forth under NRS 631.240 and NRS 631.300, the NSBDE will issue temporary unrestricted licenses upon a properly completed application and submission of proof of successful completion of non-patient ADEX clinical examination.

All temporary unrestricted licenses shall expire ninety (90) days after the Governor rescinds the declared state of emergency for COVID-19, at which time a patient-based clinical examination must be successfully completed in order for a temporary unrestricted license to be converted to a full license.

All requirements for license by examination remain the same. Pursuant to state law, **ALL** applicants for a general dental license must meet the following eligibility requirements as set forth in NRS 631.230:

- (a) Is over the age of 21 years;
- (b) Is a citizen of the United States, or is lawfully entitled to remain and work in the United States;
- (c) Is a graduate of an accredited dental school or college; and
