\*3. Consideration of Anesthesia Evaluators/Inspectors Recommendations of Failure of Oral Examination Portion of Reevaluation for the administration of conscious sedation pursuant to NAC 631.2233

(For Possible Action)

(a) Dr. Y

Mrs. Shaffer-Kugel indicated to the Board that at the previous Board meeting they approved that if Dr. Y, whom failed the oral portion of their evaluation, should request a re-evaluation, that it be granted. She stated that Dr. Y, indeed, requested a re-evaluation and failed the oral portion examination a second time under two different evaluators. She noted that both evaluators noted that Dr. Y struggled to answer multiple emergency scenario questions, and therefore, have recommended a failure for the oral examination re-evaluation. Mrs. Shaffer-Kugel read the regulation regarding multiple failures leading to a suspension of the administrator permit of twelve (12) months.

MOTION: Dr. Johnson made the motion to affirm the recommendations of the evaluators to fail to re-evaluation and deem the permit holder ineligible to be re-evaluated. Motion seconded by Dr. Blasco. All were in favor of the motion.

\*4. Consideration of Anesthesia Inspectors Recommendations of Failure of Five Year Site Permit Inspection for the administration of conscious sedation pursuant to NAC 631.2233

Mrs. Shaffer-Kugel noted to the Board that the permit is actually for a general anesthesia permit and not a conscious sedation permit. She indicated to the Board that Dr. Z holds the site permit, however, that Dr. Z would not be the one administering. She noted that the recommendations for failure of the site inspection were due to the fact that there was a list of items that the site was deficient on.

MOTION: Dr. Blasco made the motion to affirm the recommendations of the inspectors to fail the site five year re-evaluation. Motion seconded by Dr. Johnson. All were in favor of the motion.
