**Administration of Vaccinations by Licensed Dental Professionals
(NAC 631. 2562)**

IMMUNIZATION BY LICENSED DENTAL PRACTITIONER**(1/7/2021 WORKSHOP DRAFT, v1.1)**

NAC 631.2270 Definitions. ([NRS 631.190](#)) As used in NAC 631.2271 to 631.2285, inclusive, unless the context otherwise requires, the words and terms defined in NAC 631.2271 to 631.2275, inclusive, have the meanings ascribed to them in those sections.

NAC 631.2271 “Immunization Information System” defined. ([NRS 631.190](#)) Immunization Information System means the informational collection system concerning the immunization of children in this State, as administered by the Nevada State Board of Health and outlined in NRS 439.265.

NAC 631.2272 “Licensed Dental Practitioner” defined. ([NRS 631.190](#)) A Licensed Dental Practitioner means a dentist, dental hygienist, dental hygienist with a public health endorsement, or dental therapist who is licensed pursuant to Chapter 631 of NRS.

NAC 631.2273 “Model Standing Orders” defined. ([NRS 631.190](#)) Model standing orders means prewritten orders and specific instructions for administration and frequency of a given medication (vaccines) to a person in clearly defined circumstances by the Nevada Department of Health and Human Services.

NAC 631.2274 “Vaccine Adverse Event Reporting System (VAERS)” defined. ([NRS 631.190](#)) The National Childhood Vaccine Injury Act of 1986 requires an immunizing health care provider (including, but not limited to, licensed dental practitioners) to report adverse vaccine events to the Vaccine Adverse Event Reporting System (VAERS).

NAC 631.2275 “Vaccine Information Statement” (VIS) defined. ([NRS 631.190](#)) Vaccine Information Statement (VIS) means vaccine information statement developed and maintained by the Centers for Disease Control and Prevention. Current versions can be found at: <https://www.cdc.gov/vaccines/hcp/vis/current-vis.html>

NAC 631.2280 Authorization; administration of vaccines ([NRS 631.190](#))

1. A licensed dental practitioner shall be deemed to be practicing dentistry, dental therapy, and/or dental hygiene pursuant to their respective license(s), while participating in the prescription and administration of vaccines according to this section.
2. A licensed dental practitioner may administer immunizations by an intranasal, intramuscular or subcutaneous injection only:
 - (a) To a patient of record;
 - (b) If the licensed dental practitioner has completed an immunization certification program approved by the Board;
 - (c) If the vaccines are administered in accordance with the “Model Standing Orders” approved by the Nevada Department of Health and Human Services;
 - (d) If the dental office maintains and follows written policies and procedures for handling and disposal of used or contaminated equipment and supplies;
 - (e) If the licensed dental practitioner has immediate access to emergency response equipment, including, but not limited to, oxygen administration equipment, epinephrine, and other allergic reaction response equipment;
 - (f) If the licensed dental practitioner has, along with each dose of vaccine administered, provided the appropriate written Vaccine Information Statement (VIS) to the patient or patient’s legal representative, discussed the information provided in

the VIS with the patient or patient's legal representative, and has obtained written informed consent from the patient or patient's legal representative prior to administering the vaccine. The VIS given to the patient must be the most current statement.

3. The licensed dental practitioner must document in the patient record:
 - (a) The date and site of the administration of the vaccine;
 - (b) The brand name, or national drug code (NDC) number, or other acceptable standardized vaccine code set, dose, manufacturer, lot number, and expiration date of the vaccine;
 - (c) The name or identifiable initials of the administering licensed dental practitioner;
 - (d) The address of the office where the vaccine(s) was administered unless automatically embedded in the electronic report provided to the Immunization Information System according to NRS 439.265;
 - (e) The date of publication of the VIS; and
 - (f) The date the VIS was provided to the patient.
4. If providing vaccines pursuant to state or federal funded programs, including, but not limited to, the "Vaccines for Children" (VFC) program, the vaccine eligibility code must be reported to the Immunization Information System.
5. A licensed dental practitioner who administers any vaccine must report the information from Sections (3) and (4) of this rule, if applicable, to the Immunization Information System within 14 days of administration.
6. The licensed dental practitioner must report any adverse event resulting from administration of the vaccine according to the VAERS Table of Reportable Events. Reports of the adverse event must be made to each of the following:
 - (a) VAERS;
 - (b) the Nevada State Board of Dental Examiners; and
 - (c) to the primary care provider, if any, as identified by the patient.
7. A licensed dental practitioner who administers any vaccine will follow storage and handling guidance from the vaccine manufacturer and the Centers for Disease Control and Prevention (CDC).
8. Any licensed dental practitioner administering immunizations by an intranasal, intramuscular or subcutaneous injection under this section shall comply with guidelines established by the federal Advisory Committee on Immunization Practices (ACIP) relating to vaccines and immunizations, which includes, but is not limited to, vaccine storage and handling, vaccine administration and documentation, and vaccine contraindications and precautions.

NAC 631.2281 Training and certification to administer immunizations. ([NRS 631.190](#))

1. Before a licensed dental practitioner may administer an immunization, the licensed dental practitioner must be trained and board endorsed to administer immunizations by completing an immunization certification program approved by the Nevada State Board of Dental Examiners that includes:

- (a) Education and practical training, including, without limitation, written study materials regarding techniques for administering immunizations;
- (b) Evaluation of the knowledge and technique of the licensed dental practitioner in administering immunizations;
- (c) Instruction consistent with the current training guidelines of the Centers for Disease Control and Prevention; and
- (d) Except as otherwise provided in subsection 2, instruction and practical training concerning:
 - (1) The standards for pediatric, adolescent and adult immunization practices recommended and approved by the United States Public Health Service Advisory Committee on Immunization Practices;
 - (2) Basic immunology, and vaccine and immunization protection;
 - (3) Diseases that are preventable through vaccination and immunization;

- (4) Recommended immunization schedules;
- (5) Vaccine and immunization storage and management;
- (6) Informed consent;
- (7) Physiology and techniques for administration of immunizations;
- (8) Preimmunization and postimmunization assessment and counseling;
- (9) Immunization reporting and records management; and
- (10) Identification, response, documentation and reporting of adverse events.

2. In lieu of complying with the requirements of paragraph (d) of subsection 1, a licensed dental practitioner who administers immunizations consisting exclusively of live attenuated influenza vaccine through the nasal passages of a person may complete a certification program of instruction which is approved by the Nevada State Board of Dental Examiners, and which includes instruction pertaining to:

- (a) The epidemiology of influenza;
- (b) The pathophysiology, clinical presentation, diagnosis, prevention and treatment of influenza;
- (c) The administration, storage and handling of influenza vaccines; and
- (d) The counseling of patients who will be immunized with the vaccine.

NAC 631.2282 Continuing education required. ([NRS 631.190](#); [NRS 631.342](#))

Each licensed dental professional who administers immunizations must annually complete at least 2 hours of instruction or biennially complete at least 4 hours of instruction, as applicable. that:

- (a) Addresses the life cycle of diseases, drugs and administration of immunizations;
- (b) Constitute a training course provided by the Centers for Disease Control and Prevention regarding epidemiology and prevention of diseases which are preventable through immunization;
- (c) Constitute a training course provided by Immunize Nevada or its successor organization; or
- (d) Any other course regarding immunizations offered by a teaching entity approved by the Board.

This training will be credited toward any continuing education required by NAC 631.173.

NAC 631.2283 Reporting of certain information concerning immunizations. ([NRS 631.190](#))

A licensed dental professional who administers immunizations shall, pursuant to [NRS 439.265](#) and the regulations adopted pursuant thereto by the Department of Health and Human Services (NAC 439.870 to NAC 439.897), report all such information required for inclusion in the Immunization Information System concerning any administered immunizations.

NAC 631.2284 Written informed consent; review of medical history of patient prior to administration of immunizations. ([NRS 631.190](#))

1. Written informed consent of the patient must be obtained before the administration of immunizations by an intranasal, intramuscular or subcutaneous injection. If the patient is a minor, the consent must be obtained from the minor's parent or legal guardian.

2. Each licensed dental professional who administers immunizations must review the patient's medical history before the administration of immunizations by an intranasal, intramuscular or subcutaneous injection.

3. The medical history review includes asking the patient to describe any current medical conditions or treatments, including, without limitation, medications, drug allergies, impending or past operations and pregnancy, and to provide any other information that may be helpful to the person administering immunizations by an intranasal, intramuscular or subcutaneous injection.

4. If the licensed dental practitioner identifies an issue that may prevent the safe administration of the immunization, they must consult with a physician for an examination, evaluation and diagnosis. The licensed dental practitioner can only proceed with administering the immunization if they can rely upon that physician's evaluation and diagnosis.

5. The medical history review must be memorialized in writing and signed by the patient prior to administration of immunization, and must be documented in the patient record.

NAC 631.2285 Confidentiality of records. (NRS 631.190)

1. A licensed dental professional who administers immunizations shall provide adequate security to prevent unauthorized access to confidential records of immunizations. If confidential health information is not transmitted directly between a licensed dental practitioner and a physician, but is transmitted through a data communication device, the confidential health information must not be viewed or used by the operator of the data communication device unless the operator is specifically authorized to obtain confidential information pursuant to this subsection.

2. Except as otherwise provided in NRS 49.245, the confidential records of immunizations are privileged and may be released only to:

(a) The patient or the authorized agent of the patient;

(b) Physicians, licensed dental practitioners, and pharmacists, when, in the professional judgment of the licensed dental practitioner, such release is necessary to protect the health and well-being of the patient;

(c) The Board or other federal, state or local agencies authorized by law to receive such information;

(d) A law enforcement agency engaged in the investigation of a suspected violation involving a controlled substance or dangerous drug;

(e) A person employed by any state agency that licenses a physician if such a person is engaged in the performance of his or her official duties; or

(f) An insurance carrier or other third-party payor authorized by a patient to receive such information.

3. The provisions of this section must not be construed to affect or alter the provisions of NRS 49.215 to 49.245, inclusive, relating to the confidentiality of communications between a doctor and a patient.

1. Except as otherwise provided in [NRS 622.090](#), an applicant who does not pass all sections of the clinical examination approved by the Board and the American Board of Dental Examiners or the clinical examination administered by the Western Regional Examining Board may apply for a reexamination. The application must be made on a form furnished by the Board.

2. An applicant who does not pass the examination may not take another examination without completing such additional professional training as is required by the Board.

3. An applicant who does not pass the examination solely because he or she fails one of the demonstrations required pursuant to [NAC 631.090](#) may, at the next scheduled examination, complete the remaining demonstration. If the applicant does not successfully complete the remaining demonstration at the next scheduled examination or within the timeline approved by the American Board of Dental Examiners or by the Western Regional Examining Board for a person who takes the examination as part of an integrated curriculum, he or she must retake the entire examination.

4. For the purposes of [NRS 631.280](#), an applicant who attempts to complete successfully a demonstration pursuant to subsection 3 shall not be deemed to have failed the examination twice if he or she fails to complete that demonstration successfully.

NAC 631.155 Licensee to notify Board of certain events. ([NRS 631.190](#))
Each licensee shall, within 30 days after the occurrence of the event, notify the Board in writing by certified mail of:

1. The death of a patient during the performance of any dental procedure;

2. Any unusual incident occurring in his or her dental practice which results in permanent physical or mental injury to a patient or requires the hospitalization of a patient;

3. The suspension or revocation of his or her license to practice dentistry, *dental therapy or dental hygiene* the imposition of a fine or other disciplinary action against him or her by any agency of another state authorized to regulate the practice of dentistry in that state;

4. The conviction of any felony or misdemeanor involving moral turpitude or which relates to the practice of dentistry, *dental therapy or dental hygiene* in this State or the conviction of any violation of [chapter 631](#) of NRS; or

5. *The filing and service upon him or her of any claim or complaint of malpractice; or*

6. Being held civilly or criminally liable in this State, another state or territory of the United States or the District of Columbia for misconduct relating to his or her occupation or profession.

NAC 631.160 Voluntary surrender of license. ([NRS 631.190](#))

1. If a licensee desires voluntarily to surrender his or her license, he or she may submit to the Board a sworn written surrender of the license accompanied by delivery to the Board of the certificate of registration previously issued to him or her. The Board may accept or reject the surrender of the license. If the Board accepts the surrender of the license, the surrender is absolute and irrevocable. The Board will notify any agency or person of the surrender as it deems appropriate.

2. The voluntary surrender of a license does not preclude the Board from hearing a complaint for disciplinary action filed against the licensee.

3. *If, following a voluntary surrender of license pursuant to this section, the former licensee wishes to again practice in Nevada, he or she must re-apply for a license pursuant to this chapter and NRS 631, and must meet all criteria required for licensure as of the date of his or her reapplication.*

4. *If a licensee voluntarily surrenders his or her license with discipline or during a pending investigation, the Board may require the dentist, dental therapist or dental hygienist to complete any terms of discipline or corrective action not completed as a result of the surrender, and/or may require additional terms as a condition of licensure as deemed necessary and appropriate by the Board.*

NAC 631.170 Placement of license on inactive, retired or disabled status; reinstatement. ([NRS 631.190](#), [631.335](#))

1. A licensee may request the Board to place his or her license in an inactive or retired status. Such a request must be made in writing and before the license expires.

2. The Secretary-Treasurer may reinstate an inactive license upon the written request of an inactive licensee who has maintained an active license and practice outside this State during the time his or her Nevada license was inactive. To reinstate the license, such an inactive licensee must:

- (a) Pay the appropriate renewal fees;
- (b) Provide a list of his or her employment during the time the license was inactive;

(c) Report all claims of unprofessional conduct or professional incompetence against him or her or any violation of the law which he or she may have committed, including administrative disciplinary charges brought by any other jurisdiction;

(d) Report whether he or she has been *served with any claim or lawsuit for dental malpractice, or has been* held civilly or criminally liable in this State, another state or territory of the United States or the District of Columbia for misconduct relating to his or her occupation or profession;

(e) Report any appearance he or she may have made before a peer review committee;

(f) Submit proof of his or her completion of an amount of continuing education, prorated as necessary, for the year in which the license is restored to active status;

(g) Provide certification from each jurisdiction in which he or she currently practices that his or her license is in good standing and that no proceedings which may affect that standing are pending;

(h) Satisfy the Secretary-Treasurer that he or she is of good moral character; and

(i) Provide any other information which the Secretary-Treasurer may require, before the license may be reinstated. In determining whether the licensee is of good moral character, the Secretary-Treasurer may consider whether the license to practice dentistry in another state has been suspended or revoked or whether the licensee is currently involved in any disciplinary action concerning the license in that state.

3. If a person whose license has been on inactive status for less than 2 years has not maintained an active license or practice outside this State, or if a person's license has been on retired status for less than 2 years, he or she must submit to the Board:

(a) Payment of the appropriate renewal fees;

(b) A written petition for reinstatement that has been signed and notarized;

(c) Proof of his or her completion of an amount of continuing education, prorated as necessary, for the year in which the license is restored to active status; and

(d) A list of his or her employment, if any, during the time the license was on inactive or retired status,

before the license may be reinstated.

4. If a person whose license has been on inactive status for 2 years or more has not maintained an active license or practice outside this State, or if a person's license has been on retired status for 2 years or more, he or she must:

(a) Satisfy the requirements set forth in paragraphs (a) to (d), inclusive, of subsection 3; and

(b) Pass such additional examinations for licensure as the Board may prescribe, before the license may be reinstated.

5. If the license of a person has been placed on disabled status, the person must:

(a) Satisfy the requirements of paragraphs (a), (b) and (c) of subsection 3;

(b) Submit to the Board a list of his or her employment, if any, during the time the license was on disabled status;

(c) Pass such additional examinations for licensure as the Board may prescribe; and

(d) Submit to the Board a statement signed by a licensed physician setting forth that the person is able, mentally and physically, to practice dentistry, ↪ before the license may be reinstated.

6. For purposes of the requirement for an examination as the Board may prescribe following two or more years of inactivity, "inactive" as used in subsections 3 and 4 of this section may refer to voluntary placement of a license on inactive status or to inactivity due to voluntary surrender of a licenses, and/or suspension or revocation of a license or other order by the Board of this State, another state or territory of the United States or the District of Columbia.

~~3~~ 4. In addition to the hours of instruction prescribed in subsections 1 through 3, each dentist, *dental therapist* and dental hygienist must maintain current certification in administering cardiopulmonary resuscitation or another medically acceptable means of maintaining basic bodily functions which support life. Any course taken pursuant to this subsection must be taught by a certified instructor.

~~4~~5. Any provider of or instructor for a course in continuing education relating to the practice of dentistry, *dental therapy* or dental hygiene which meets the

requirements of this section must be approved by the Board, unless the course is for training in cardiopulmonary resuscitation or is approved by:

- (a) The American Dental Association or the societies which are a part of it;
- (b) The American Dental Hygienists' Association or the societies which are a part of it;
- (c) The Academy of General Dentistry;
- (d) *The American Academy of Dental Hygiene*;
- (~~e~~) Any nationally recognized association of dental or medical specialists;
- (~~f~~) Any university, college or community college, whether located in or out of Nevada; or
- (~~g~~) Any hospital accredited by The Joint Commission.

~~5~~ 6. To be approved as a provider of a course in continuing education, the instructor of the course must complete a form provided by the Board and submit it to the Board for review by a committee appointed by the Board not later than 45 days before the beginning date of the course. Upon receipt of the form, the committee shall, within 10 days after receiving the form, approve or disapprove the application and inform the applicant of its decision.

~~6~~ 7. Study by group may be approved for continuing education if the organizer of the group complies with the requirements of subsection ~~5~~ 6 and furnishes the Board with a complete list of all members of the group, a synopsis of the subject to be studied, the time, place and duration of the meetings of the group, and the method by which attendance is recorded and authenticated.

~~7~~ 8. Credit may be allowed for attendance at a meeting or a convention of a dental and dental hygiene society.

~~8~~ 9. Credit may be allowed for courses completed via home study, on-line study, self-study or journal study which are taught through correspondence, webinar, compact disc or digital video disc.

~~9~~ 10. Credit may be allowed for dental and dental hygiene services provided on a voluntary basis to nonprofit agencies and organizations approved by the Board.

(b) As applicable to the practice of dentistry, the provisions of the *Guideline for Disinfection and Sterilization in Healthcare Facilities, 2008*, adopted by the Centers for Disease Control and Prevention which is hereby adopted by reference. The publication is available, free of charge, from the Centers for Disease Control and Prevention at the Internet address http://www.cdc.gov/ncidod/dhqp/pdf/guidelines/Disinfection_Nov_2008.pdf.

2. The Board will periodically review the guidelines adopted by reference in this section and determine within 30 days after the review whether any change made to the guidelines is appropriate for application in this State. If the Board does not disapprove a change to the guidelines within 30 days after the review, the change is deemed to be approved by the Board.

(Added to NAC by Bd. of Dental Exam'rs, eff. 9-6-96; A by R025-05, 11-17-2005; R201-09, 8-13-2010)

NAC 631.1785 Inspection of office or facility. ([NRS 631.190](#), [631.363](#))

1. Not later than 30 days after a licensed dentist becomes the owner of an office or facility in this State where dental treatments are to be performed, other than a medical facility as defined in [NRS 449.0151](#), the licensed dentist must request in writing that the Board conduct an initial inspection of the office or facility to ensure compliance with the guidelines adopted by reference in [NAC 631.178](#).

2. Not later than 90 days after receiving a written request pursuant to subsection 1:

(a) The Executive Director shall assign *one or more* agents of the Board to conduct the inspection; and

(b) The agents shall conduct the inspection *utilizing any infection control inspection/survey forms as provided by the Board*.

3. Not later than ~~30~~ days after agents of the Board have completed the initial inspection of an office or facility pursuant to subsection 2, the agents shall issue a report to the Executive Director indicating whether the office or facility is equipped in compliance with the guidelines adopted by reference in [NAC 631.178](#). If the report indicates that the office or facility:

(a) Is equipped in compliance with the guidelines adopted by reference in [NAC 631.178](#), the Executive Director shall, without any further action by the Board, issue a written notice of the agents' findings to the licensed dentist who owns the office or facility.

(b) Is not equipped in compliance with the guidelines adopted by reference in [NAC 631.178](#) *and/or has infection control inspection deficiencies as noted on the infection control inspection survey utilized by the Board, the Executive Director or other agent of the Board* shall, without any further action by the Board, issue a written notice which identifies ~~critical~~ *the* deficiencies to the licensed dentist who owns the office or facility. *Receipt of a copy of the completed infection control inspection survey form by the licensee shall be sufficient to satisfy the requirement for written notice of deficiencies.*

(c) If the notice pursuant to Subsection (b) notes that there is a finding of one or more critical or "Level 1" deficiencies:

(i) No patients may be treated in the office or facility until those deficiencies are corrected, as critical deficiencies indicate a potential danger to the public health, safety or welfare, and requires immediate action.

(ii) The owner and any employed or independent contracting dentists may voluntarily agree to suspend patient care and treatment at the office or facility pending confirmation of correction of the critical deficiencies. Once correction has been confirmed and acknowledged by the Board or its agent, pursuant to subsection (iv) of this section, patient care may resume at that office or facility.

(iii) If the owner and any employed or independent contracting dentists do not agree to voluntarily suspend patient care and treatment at the office or facility pending confirmation of correction of the critical deficiencies, pursuant to subsection

3 of NRS 233B.127, the President of the Board may, without any further action by the Board, issue an order of summary suspension of the license of the licensed dentist who owns the office or facility and the licenses of any or all of the other licensees employed or independently contracted at the office or facility pending proceedings for revocation or other action. An order of summary suspension issued by the President of the Board must contain findings of the exigent circumstances which warrant the issuance of the order of summary suspension. The President of the Board shall not participate in any further proceedings relating to the order. The owner and any employed or independent contracting dentists will not be permitted to resume patient care and treatment pending further proceedings mandated pursuant to this section and NRS 233B.127(3), which must be instituted and determined within 30 days after the date of the order unless the agency and the licensee mutually agree in writing to a longer period. Acknowledgement of the correction of critical deficiencies pursuant to subsection (iv) of this section will not reverse, revoke, void or otherwise rescind any summary suspension issued pursuant to this paragraph.

(iv) Not later than 72 hours after notification to the Board by the owner and/or any employed or independently contracting dentists of the correction of critical deficiencies, a re-inspection of the office or facility will be conducted to verify that the licensed dentist(s) and the personnel supervised by the dentist(s) have corrected the critical deficiencies. The fees for a first re-inspection are included in the fees charged for the initial inspection. Any subsequent re-inspection(s) will incur additional fees as stated in NAC 631.028.

(v) If critical deficiencies remain following two (2) re-inspections after the initial inspection, even if there has been a voluntary cessation of patient care and treatment at the deficient location, the President of the Board may, without any further action by the Board, issue an order of summary suspension of the license of the licensed dentist who owns the office or facility and/or the licenses of any or all of the other licensees employed or independently contracted at the office or facility pending proceedings for revocation or other action. An order of summary suspension issued by the President of the Board must contain findings of the exigent circumstances which warrant the issuance of the order of summary suspension. The President of the Board shall not participate in any further proceedings relating to the order. The owner and any employed or independent contracting dentists will not be permitted to resume patient care and treatment pending further proceedings mandated pursuant to this section and NRS 233B.127(3), which must be instituted and determined within 45 days after the date of the order unless the agency and the licensee mutually agree in writing to a longer period.

(d) If the notice pursuant to Subsection (b) notes that there is a finding of one or more remedial or "Level 2" deficiencies

(i) Not later than 7 business days after issuing a written notice of deficiencies, the Executive Director shall assign an agent(s) of the Board to conduct a

reinspection of the office or facility to determine if the licensed dentist and the personnel supervised by the dentist have taken corrective measures. The agent(s) assigned pursuant to this paragraph shall issue a report to the Executive Director indicating whether the licensed dentist and the personnel supervised by the dentist are in compliance with the guidelines adopted by reference in NAC 631.178 and/or the infection control inspection survey as noted on the infection control inspection survey utilized by the Board.

(ii) If the re-inspection pursuant to subsection (i) indicates that the licensed dentist and the personnel supervised by the dentist are in compliance with the guidelines adopted by reference in NAC 631.178 and/or the infection control inspection survey as noted on the infection control inspection survey utilized by the Board, the Executive Director shall, without any further action by the Board, issue a written notice of the agents' findings to the licensed dentist who owns the office or facility.

(iii) If the re-inspection pursuant to subsection (i) indicates that the licensed dentist and the personnel supervised by the dentist are not in compliance with the guidelines adopted by reference in NAC 631.178 and/or the infection control inspection survey as noted on the infection control inspection survey utilized by the Board, the Executive Director shall, without any further action by the Board, issue a written notice of the agents' findings to the licensed dentist who owns the office or facility. In the event deficiencies are noted pursuant to this section, the President of the Board may, without any further action by the Board, issue an order to the licensed dentist who owns the office or facility and all other licensees employed or independently contracted at the office or facility that any or all of those licensees or personnel must immediately cease and desist from some or all dental treatments at the office or facility until a hearing is held before the Board. An order to cease and desist issued by the President of the Board must contain findings of the circumstances which warrant the issuance of the order. The President of the Board shall not participate in any further proceedings relating to the order. The hearing before the Board must be convened not later than 30 days after the President issues the order to cease and desist.

(iv) If Level 2 deficiencies remain following two (2) re-inspections after the initial inspection, the President of the Board may, without any further action by the Board, issue an order of summary suspension of the license of the licensed dentist who owns the office or facility and/or the licenses of any or all of the other licensees employed or independently contracted at the office or facility pending proceedings for revocation or other action or may request that the Board authorize an investigation as a result of the repeated inspection deficiencies. An order of summary suspension issued by the President of the Board must contain findings of the exigent circumstances which warrant the issuance of the order of summary suspension. The President of the Board shall not participate in any further proceedings relating to the

order. The owner and any employed or independent contracting dentists will not be permitted to resume patient care and treatment pending further proceedings mandated pursuant to this section and NRS 233B.127(3), which must be instituted and determined within 45 days after the date of the order unless the agency and the licensee mutually agree in writing to a longer period.

(e) If the notice pursuant to Subsection (b) notes that there is a finding of one or more “Level 3” deficiencies

(i) Not later than 30 business days after issuing a written notice of deficiencies, the Executive Director shall assign agents of the Board to conduct a reinspection of the office or facility to determine if the licensed dentist and the personnel supervised by the dentist have taken corrective measures, and the agents assigned pursuant to this paragraph shall issue a report to the Executive Director indicating whether the licensed dentist and the personnel supervised by the dentist are in compliance with the guidelines adopted by reference in NAC 631.178 and/or the infection control inspection survey as noted on the infection control inspection survey utilized by the Board.

(ii) If the re-inspection pursuant to subsection (i) indicates that the licensed dentist and the personnel supervised by the dentist are in compliance with the guidelines adopted by reference in NAC 631.178 and/or the infection control inspection survey as noted on the infection control inspection survey utilized by the Board, the Executive Director shall, without any further action by the Board, issue a written notice of the agent’s findings to the licensed dentist who owns the office or facility.

(iii) If the re-inspection pursuant to subsection (i) indicates that the licensed dentist and the personnel supervised by the dentist are not in compliance with the guidelines adopted by reference in NAC 631.178 and/or the infection control inspection survey as noted on the infection control inspection survey utilized by the Board, the Executive Director shall, without any further action by the Board, issue a written notice of the agent’s findings to the licensed dentist who owns the office or facility. In the event deficiencies are noted pursuant to this section, the President of the Board may, without any further action by the Board, issue an order to the licensed dentist who owns the office or facility and all other licensees employed or independently contracted at the office or facility that any or all of those licensees or personnel must immediately cease and desist from some or all dental treatments at the office or facility until a hearing is held before the Board. An order to cease and desist issued by the President of the Board must contain findings of the circumstances which warrant the issuance of the order. The President of the Board shall not participate in any further proceedings relating to the order. The hearing before the Board must be convened not later than 30 days after the President issues the order to cease and desist.

(iv) *If Level 3 deficiencies remain following two (2) re-inspections after the initial inspection, the President of the Board may, without any further action by the Board, issue an order of summary suspension of the license of the licensed dentist who owns the office or facility and/or the licenses of any or all of the other licensees employed or independently contracted at the office or facility pending proceedings for revocation or other action or may request that the Board authorize an investigation as a result of the repeated inspection deficiencies. An order of summary suspension issued by the President of the Board must contain findings of the exigent circumstances which warrant the issuance of the order of summary suspension. The President of the Board shall not participate in any further proceedings relating to the order. The owner and any employed or independent contracting dentists will not be permitted to resume patient care and treatment pending further proceedings mandated pursuant to this section and NRS 233B.127(3), which must be instituted and determined within 45 days after the date of the order unless the agency and the licensee mutually agree in writing to a longer period.*

(v) *The fees for a first re-inspection are included in the fees charged for the initial inspection. Any subsequent re-inspection(s) will incur additional fees as stated in NAC 631.028.*

~~— 4. Not later than 72 hours after issuing a written notice of deficiencies pursuant to paragraph (b) of subsection 3:~~

~~— (a) The Executive Director shall assign agents of the Board to conduct a reinspection of the office or facility to determine if the licensed dentist and the personnel supervised by the dentist have taken corrective measures; and~~

~~— (b) The agents assigned pursuant to paragraph (a) shall conduct the reinspection and issue a report to the Executive Director indicating whether the licensed dentist and the personnel supervised by the dentist are in compliance with the guidelines adopted by reference in NAC 631.178. If the report indicates that the licensed dentist and the personnel supervised by the dentist:~~

~~— (1) Are in compliance with the guidelines adopted by reference in NAC 631.178, the Executive Director shall, without any further action by the Board, issue a written notice of the agents' findings to the licensed dentist who owns the office or facility.~~

~~— (2) Are not in compliance with the guidelines adopted by reference in NAC 631.178, the Executive Director may, without any further action by the Board, issue an order to the licensed dentist who owns the office or facility and all other licensees employed at the office or facility that any or all of those licensees or personnel must immediately cease and desist from performing dental treatments and that some or all dental treatments must cease to be performed at the office or facility until a hearing is held before the Board. The hearing before the Board must be convened not later than 30 days after the Executive Director issues the order to cease and desist.~~

~~— 5. Not later than 72 hours after receiving material evidencing critical deficiencies by a licensed dentist who owns an office or facility in this State where dental treatments are to be performed, other than a medical facility as defined in NRS 449.0151, the Executive Director may assign agents of the Board to conduct an inspection of an office or facility to ensure that the licensed dentist and the personnel supervised by the dentist are in compliance with the guidelines adopted by reference in NAC 631.178. An inspection conducted pursuant to this subsection may be conducted during normal business hours with notice to the licensed dentist who owns the office or facility.~~

~~— 6. Not later than 3 days after a dentist receives a written notice pursuant to subsection 5:~~

~~— (a) The Executive Director shall assign agents of the Board to conduct the inspection; and~~

~~— (b) The agents shall conduct the inspection.~~

~~— 7. Not later than 72 hours after agents of the Board have completed the inspection of an office or facility pursuant to subsection 6, the agents shall issue a report to the Executive Director indicating whether the office or facility is equipped in compliance with the guidelines adopted by reference in NAC 631.178. If the report indicates that the office or facility:~~

~~— (a) Is equipped in compliance with the guidelines adopted by reference in NAC 631.178, the Executive Director shall, without any further action by the Board, issue a written notice of the agents' findings to the licensed dentist who owns the office or facility.~~

~~— (b) Is not equipped in compliance with the guidelines adopted by reference in NAC 631.178, the Executive Director shall, without any further action by the Board, issue a written notice which identifies all critical deficiencies to the licensed dentist who owns the office or facility.~~

~~— 8. Not later than 72 hours after issuing a written notice of deficiencies pursuant to paragraph (b) of subsection 7:~~

↪ The dental hygienist must obtain authorization from the licensed dentist of the patient on whom the services authorized pursuant to this subsection are to be performed.

4. If a dentist who is licensed in this State has in his or her employ and under his or her supervision a dental hygienist who has:

(a) Successfully completed a course of continuing education in the administering of local anesthetics or nitrous oxide-oxygen analgesia, or both, which has been approved by the Board; or

(b) Graduated from an accredited program of dental hygiene which includes the administering of local anesthetics or nitrous oxide-oxygen analgesia, or both, in its curriculum,

↪ the dentist may authorize the dental hygienist to administer local anesthetics or nitrous oxide-oxygen analgesia, or both, as appropriate, if the dental hygienist has received from the Board a certificate or permit certifying the hygienist for this level of administration. The dental hygienist must obtain the authorization from the licensed dentist of the patient on whom the services are to be performed.

5. A dental hygienist in a health care facility may administer local intraoral chemotherapeutic agents and, if he or she has complied with paragraph (a) or (b) of subsection 4, may administer local anesthetics or nitrous oxide-oxygen analgesia, or both, as appropriate, if he or she first:

(a) Obtains written authorization from the licensed dentist of the patient to whom the local anesthetics, nitrous oxide-oxygen analgesia or local intraoral chemotherapeutic agents are to be administered; and

(b) Submits to the Secretary-Treasurer a written confirmation from the director of the health care facility that the facility has licensed medical personnel and necessary emergency supplies and equipment that will be available when the local anesthetics, nitrous oxide-oxygen analgesia or local intraoral chemotherapeutic agents are administered.

6. The Board may authorize a dental hygienist to perform the services set forth in subsection 1 and paragraphs (a) to (n), inclusive, of subsection 2 without supervision by a dentist and without authorization from the licensed dentist of the patient on whom the services are to be performed, at a health facility, a school or a place in this State approved by the Board after the Board:

(a) Issues a special endorsement of the dental hygienist's license.

(b) Approves the treatment protocol submitted by the dental hygienist which includes an explanation of the methods that the dental hygienist will use to:

(1) Treat patients; and

(2) Refer patients to a dentist for:

(I) Follow-up care;

(II) Diagnostic services; and

(III) Any service that the dental hygienist is not authorized to perform.

7. The Board may revoke the authorization described in subsection 6 if the:

(a) Dental hygienist fails to renew his or her license or it is cancelled, suspended or revoked;

(b) Board receives a complaint filed against the dental hygienist;

(c) Dental hygienist commits an act which constitutes a cause for disciplinary action; or

(d) Dental hygienist violates any provision of this chapter or [chapter 631](#) of NRS.

↳ Nothing in this subsection prohibits a dental hygienist from reapplying for authorization to perform the services described in subsection 6 if the Board revokes the authorization pursuant to this subsection.

8. As used in this section:

(a) “Health care facility” has the meaning ascribed to it in [NRS 162A.740](#).

(b) “Health facility” has the meaning ascribed to it in subsection 6 of [NRS 449.260](#).

(c) “School” means an elementary, secondary or postsecondary educational facility, public or private, in this State.

NAC 631.220 Dental assistants: Authorization to perform certain services; supervision by dental hygienist for certain purposes. ([NRS 631.190](#), [631.313](#), [631.317](#))

1. A dentist who is licensed in the State of Nevada may authorize a dental assistant in his or her employ and under his or her supervision to perform the following procedures before the patient is examined by the dentist:

(a) Expose radiographs; and

(b) Take impressions for the preparation of diagnostic models.

2. A dentist who is licensed in the State of Nevada may authorize a dental assistant in his or her employ and under his or her supervision only to do one or more of the following procedures after the patient has been examined by the dentist:

(a) Retract a patient’s cheek, tongue or other tissue during a dental operation.

(b) Remove the debris that normally accumulates during or after a cleaning or operation by the dentist by using mouthwash, water, compressed air or suction.

(c) Place or remove a rubber dam and accessories used for its placement.

(d) Place and secure an orthodontic ligature.

(e) Remove sutures.

(f) Place and remove a periodontal pack.

(g) Remove excess cement from cemented restorations and orthodontic appliances. A dental assistant may not use a rotary cutting instrument to remove excess cement from restorations or orthodontic appliances.

(h) Administer a topical anesthetic in any form except aerosol.

(i) Train and instruct persons in the techniques of oral hygiene and preventive procedures.

(j) Take the following types of impressions:

(1) Those used for the preparation of counter or opposing models;

(2) Those used for the fabrication of temporary crowns or bridges; and

(3) Those used for the fabrication of temporary removable appliances, provided no missing teeth are replaced by those appliances.

(k) Fabricate and place temporary crowns and bridges. This procedure must be checked and approved by the supervising dentist before dismissal of the patient from the office of the dentist.

(l) Retract gingival tissue if the retraction cord contains no medicaments that have potential systemic side effects.

(m) Remove soft plaque and stain from exposed tooth surfaces, utilizing an appropriate rotary instrument with a rubber cup or brush and a suitable polishing agent. A licensed dentist, *dental therapist or* dental hygienist shall determine that the teeth to be polished are free of calculus or other extraneous material.

(n) Administer a topical fluoride.

(o) Apply pit and fissure sealant to the dentition for the prevention of decay. This procedure must be checked and approved by the supervising dentist before dismissal of the patient from the office of the dentist.

(p) Fit orthodontic bands and prepare teeth for orthodontic bands if the bands are cemented or bonded, or both, into the patient's mouth by the dentist who authorized the dental assistant to perform this procedure.

3. A dentist who is licensed in the State of Nevada may authorize a dental hygienist to supervise a dental assistant in the assistance of the hygienist's performance of one or more of the following:

(a) Retract a patient's cheek, tongue or other tissue during a dental operation.

(b) Remove the debris that normally accumulates during or after a cleaning or operation by the dental hygienist by using mouthwash, water, compressed air or suction.

(c) Train and instruct persons in the techniques of oral hygiene and preventive procedures.

(d) Remove soft plaque and stain from exposed tooth surfaces, utilizing an appropriate rotary instrument with a rubber cup or brush and a suitable polishing agent. A licensed dentist, *dental therapist or* dental hygienist shall determine that the teeth to be polished are free of calculus or other extraneous material.

(e) Administer a topical fluoride.

4. A dental hygienist, who is authorized by the Board to perform the services described in subsection 6 of [NAC 631.210](#), may authorize a dental assistant under his or her supervision to assist the hygienist in the performance of the services described in paragraphs (a) to (e), inclusive, of subsection 3.
