Subject: Dr. Dan Orr's Anesthesia Committee Application

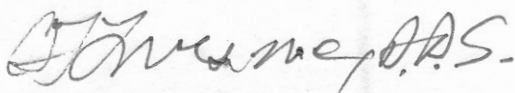

Dear Board Members,

It is my distinct pleasure to submit this letter in support of Dr. Dan Orr's application for appointment to the anesthesia evaluation committee. I have known Dr. Orr for over forty-three years. During that time he has proven to be an outstanding surgeon who enjoys an exceptional reputation among his colleagues as well as his patients.

Dr. Orr is eminently qualified to serve as an anesthesia evaluator. He holds a Masters degree in anesthesia and taught anesthesia for many years at the University of Nevada School of Dentistry. He has lectured extensively on anesthesia throughout the United States; and has provided legal testimony as an anesthesia expert. He is also a former experienced NSBDE anesthesia evaluator.

I believe that Dr. Orr would be an exceptional anesthesia evaluator. He has my highest recommendation for appointment.

Sincerely,

A handwritten signature in black ink, appearing to read "A. Ted Twesme, D.D.S.", written in a cursive style.
